Well, it ain't no use to sit and wonder why, dear
If you don't know by now
It ain't no use to sit and wonder why, dear
'Cause it don't matter anyhow
When the rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm travelling on
Don't think twice it's all right

It ain't no use in turning on your light, dear
The light, the light I've never known
It ain't no use in turning on your light, dear
I'm on the dark side of the road
Well, I wish there was something you could do or say
To try to make me change my mind and stay
We never did too much talking anyway
Don't think twice, it's all right

I'm walking down that long lonesome road, babe
Where I'm bound, I can't tell
But goodbye is too good a word gal
So I'll just say, "Fare thee well"
Now, I ain't saying you treated me unkind
You could've done better, but I don't mind
You just sort of wasted my precious time
Don't think twice, it's all right

It ain't no use in calling out my name, gal
Like you've never did before
It ain't no use in calling out my name, gal
I can't hear you anymore
Well, I'm thinking and I'm wondering, all the way down
the road
I once loved a woman - A child I'm told
I gave her my heart, but she wanted my soul
Don't think twice, it's all right

Don't think twice, it's all right.
Don't think twice, it's all right...
