Dust, dust on my shoes  
Heed the word as I kick the blues  
Bring it on, bring it on, yo, I never lose  
But the dust broke quick like a short fuse  
I ain't got no money in pockets  
But my taxes are payin for rockets  
Some say, "Return to a dustbowl"  
But the devil say, "Sacrifice a poor soul"  
Now you're pullin out cards, times is hard  
Hops ain't got a job, only cheap shots  
Big shots pimpin the pay checks  
What comes next? (Strictly snappin necks)  
Quick, roll the dice, what's your move?  
Games of chance, smoke rocks, or booze  
Booze your mind with the Minister  
Dust to dust, life is sinister

(Ashes to ashes, dirt to dirt) --> Ice Cube (Repeat 8x)

Ring around, ring around a pocket full of po's  
Pimp on the corner got a lotta, lotta hoes  
Ashes to ashes, they all fall down  
A needle in a arm and a frown  
Down on your luck, got stuck on a scumble  
Dust to dust keeps the mortals humble  
Takin out heads on a platter  
The Dadda Rich beats is much fatter  
Got trouble in New York City  
With a capital T down to the nitty-gritty  
Sexy what a pity what a pity, inner city what a pity  
But I sweep and dust off the city  
Get with the goose that's good for the gander  
Cheap is talk, cheap talk equals slander  
Slam a little hardship, bring it to the masses  
Movin asses doc bumps classes  
Fill it to the rim, slim-dim while I swing  
Off the ill rim pullin on my skin  
Ready, set, get a spliff lit  
Cause some on some hold-your-dick shit  
Dust in the wind, it goes up  
So come on down as I blows up

Up and down, Daddy Rich bring the cuts  
The Minister bringin on the ducks

(Ashes to ashes, dirt to dirt) --> Ice Cube (Repeat 8x)

Nature holds it, mother scolds it  
Forces beyond control, they hold it  
Like your microphone is amped up  
Stamp on a lyric, get licked and sent up  
Up the river, the Indian giver  
Give a little, take a little, yo, I get rid of  
Two-faced schemers on a genocide  
The five-o rolls on the wrong side  
I take a jeep or stand wax his ass  
Definin the meanin of white trash  
??? blowin in the steam  
Destruction of a Dr.'s dream  
Scheme on another, yo, not this brother  
And get dusted with the hectic drummer  
Step, step off while you sleep like rust  
Droppin jewels on the DUST TO DUST

(Ashes to ashes, dirt to dirt) --> Ice Cube (Repeat 8x)
