She's a rounder I can tell you that
She can sing 'em all night, too
She'll raise hell about the sleep she lost
But even cowgirls get the blues
Especially cowgirls, they're the gypsy kind
And need their laid on 'em loose
She's lived to see the world turned upside down
Hitchin' rides out of the blues
But even cowgirls get the blues sometimes
Bound to don't know what to do sometimes
Get this feelin' like she's too far gone
The only way she's ever been
Lonely nights are out there on the road
Motel ceiling stares you down
There must be safer ways to pay your dues
But even cowgirls get the blues
Even cowgirls get the blues sometime
Bound to don't know what to do sometimes
Get this feelin' like she's too far gone
The only way she's ever been
Even cowgirls get the blues sometime

Bound to don't know what to do sometimes

Get this feelin' like the restless wind

The only way she's ever been
