At my door the leaves are falling
The cold wild wind will come
Sweethearts walk by together
And I still miss someone
I go out to wild the parties
And look for a little fun
But I find the darkened corner
'Cause I still miss someone
Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
I wonder if she's sorry for
For leaving what we had begun
There's someone for me somewhere
And I still miss someone
Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
I wonder if she's sorry for

For leaving what we had begun

There's someone for me somewhere

And I still miss someone
