There'll never be anyone else

But you for me

Never ever be

Just couldn't be

Anyone else but you

If I could take my pick of all

The boys I've ever known

Then I'd come and pick you out

To be my very own

There'll never be anyone else

But you for me

Never ever be

Just couldn't be

Anyone else but you

A heart that's true and longs for you

Is all I have to give

All my love belongs to you

As long as I may live

There'll never be anyone else

But you for me

Never ever be

Just couldn't be
Anyone else but you
I never will forget the way you kissed me
And when we're not together
I wonder if you miss me
For I hope and pray the day will come
When you belong to me
Then I'm gonna prove to you
How true my love can be
There'll never be anyone else
But you for me
Never ever be
Just couldn't be
Anyone else but you
Never ever be
Just couldn't be
Anyone else but you
