Roll along, roll on Rose of Cimarron

Dusty days are gone Rose of Cimarron

Shadows touch the sand and

Look to see who's standing

Waitin' at your window

Watching will they ever show

Can you hear them calling?

You know they have fallen on

Campfires cold and dark now

Never see a spark burn bright

Roll along, roll on Rose of Cimarron

Dusty days are gone

Rose of Cimarron

Trails that got them home

Kept the names they've known

Four days high and lonely

Coming to you only

You're the one they turn to

The only one they knew

You're all the best to be around

When the chips were down

Roll along, roll on Rose of Cimarron

Dusty days are gone Rose of Cimarron

Roll along, roll on Rose of Cimarron

Dusty days are gone Rose of Cimarron
