I hear the soft wind sighing
In every bush and tree
The sound of my heart crying
When you are far from me
When we're apart, my darlin'
There's sorrow in the wind
When we're apart, my darlin'
Sweet sorrow in the wind
You leave me in the morning
Your footsteps die away
Tho' not a leaf is stirring
I hear the wind all day
When we're apart, my darlin'
There's sorrow in the wind
When we're apart, my darlin'
Sweet sorrow in the wind
They say when love grows older
It dies and fades away
Yet all our life together
One ever brightening day
When we're apart, my darlin'

There's sorrow in the wind

When we're apart, my darlin'

Sweet sorrow in the wind

When we're apart, my darlin'

There's sorrow in the wind

When we're apart, my darlin'

Sweet sorrow in the wind

Sweet sorrow in the wind
