"WHO WILL SING FOR ME"

I often sing, for those I love

Who go to live, with Christ above

No more on earth, their forms I'll see

When I am gone, who'll sing for me

Who'll sing for me, when I am gone

And it won't be long, 'til (when) I'll see

When I am gone, who'll sing for me

'Til I too, must say goodbye

Just over there, with Christ I'll be

Get all my friends, to sing for me

Who'll sing for me, when I am gone

As I so oft, for friends have done

And it won't be long, 'til (when) I'll see

When I am gone, who'll sing for me
