I've run so far  
That I'm back to where I started from  
I'm here and you're so far over there  
I'm here and you're so far over there

You can steal my wallet  
You can steal my stereo  
But you can't take my heart  
'Cause it's all I've got left  
It's all I've got left

They say that love makes the world spin round  
But love makes me wanna drink 'til I drown  
They say that love makes the world spin round  
But love makes me wanna drink 'til I drown  
Drink 'til I drown

I've taken so long  
To find what I was looking for  
Now it's right here  
And I want it to be forever  
I want it to be forever

You can steal the [unknown] from my back  
[Unknown line]  
But you can't take my heart  
'Cause it's all I've got left  
It's all I've got left  
It's all I've got left

They say that love makes the world spin round  
But love makes me wanna drink 'til I drown  
They say that love makes the world spin round  
But love makes me wanna drink 'til I drown

They say that love makes the world spin round  
But love makes me wanna drink 'til I drown  
They say that love makes the world spin round  
But love makes me wanna drink 'til I drown  
[Unknown lyrics in background]  
(I drink 'til I drown)

(I drink ?til I drown baby, yeah)

I drink ?til I drown, yeah

I drink ?til I drown, yeah
