I don't agree
I don't agree
I don't agree with your politics when it comes
To men and women
To men and women
To men and women

I don't agree
I don't agree
I don't agree with your theatrics when you feel
You're losing power
You're losing power
You're losing power

It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away

I don't relate
I don't relate
I don't relate to your insecurities when you shout
You shout at me
You shout at me
You shout at me

All the stars
All the stars
All the stars you love to see shine
End in suicide
End in suicide
End in suicide
End in suicide

It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away
It's so easy today

It's so crazy when you remix my life away

If you'd love something more than yourself I could've
helped you (x3)

I don't agree
I don't agree
I don't agree with your politics when it comes
To men and women
To men and women
To men and women

I don't agree
I don't agree
I don't agree with your theatrics when you feel
You're losing power
You're losing power
You're losing power

It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away
It's so easy today
It's so crazy when you remix my life away

If you'd love something more than yourself I could've
helped you (x3)
