Why'd you have to go and kill my parents,
Lord Voldemort, I mean 'You-Know-Who'?
Why'd you have to leave that lightning scar,
Lord Voldemort, I mean 'You-Know-Who'?

Why must I be the famous Harry Potter?
Why can't I be just like everyone else?
Why did you take my parents from me?
Why must I be a Parselmouth?

Why'd you have to go and kill my parents,
Lord Voldemort, I mean 'You-Know-Who'?
Why'd you have to leave that lightning scar,
Lord Voldemort, I mean 'You-Know-Who'?

There's an evil in the Wizarding World
And it is you
But good will prevail
No matter what you do

There's an evil in the Wizarding World
And it is you
But good will prevail
No matter what you do

Why'd you have to go and kill my parents,
Lord Voldemort, I mean 'You-Know-Who'?
Why'd you have to leave that lightning scar,
Lord Voldemort, I mean 'You-Know-Who'?
