Take off on my broom
I'm gonna fly circles around you
And there's no way that you're gonna get that Snitch
No, you're not gonna get that Snitch from me
You're not gonna get that Snitch

You don't stand a chance against Gryffindor
We've got the best Quidditch team that the school has
seen
You don't stand a chance against Gryffindor

Take off on my broom
I'm gonna fly circles around you
And there's no way that you're gonna get that Snitch
No, you're not gonna get that Snitch from me
You're not gonna get that Snitch

You don't stand a chance against Gryffindor
We've got the best Quidditch team that the school has
seen
You don't stand a chance against Gryffindor

You don't stand a chance against Gryffindor
You don't stand a chance against Gryffindor
You don't stand a chance against Gryffindor
You don't stand a chance against Gryffindor
