Luna Loony Lovegood,  
Luna Loony Lovegood.

I'm glad that you're seeing the Thestrals like me,  
And I'm glad that the kids think you're weirder than me.

Oh, Luna Loony Lovegood,  
You're okay in my book.

Are you going to Sweden,  
To see the Crumpled-Horn Snorkacks?  
Are you going to Sweden,  
This summer?

Luna Loony Lovegood,  
You're okay in my book.

You're a little bit weird,  
But I think that it's cool.  
There's no one else like you,  
Here in our school.

I'm glad you're a part,  
Of Dumbledore's Army.  
You fought against those Death Eaters,  
So bravely beside me.

Luna Loony Lovegood,  
You're okay in my book.  
Luna Loony Lovegood,  
You're okay in my book.
