Oh, the bus don't go to Hogwarts  
You gots to take the train  
No, the bus don't go to Hogwarts  
You gots to take the train

And we'll take the train  
From Platform Nine and Three Quarters  
And we'll take the train  
From Platform Nine and Three Quarters

'Cause the bus don't go to Hogwarts  
You gots to take the train  
Oh the bus don't go to Hogwarts  
You gots to take the train

And we'll take the train  
From Platform Nine and Three Quarters  
And well take the train  
From Platform Nine and Three Quarters

Oh yeah!
