How did I become
The fourth Triwizard champion?
How did I become
The fourth Triwizard champion?

I didn't go anywhere near the goblet of fire
Who could have put my name in the goblet of fire?
Who wants me involved in this tournament?
These circumstances are so mysterious

How did I become
The fourth Triwizard champion?
How did I become
the fourth Triwizard champion?

How do I stand a chance against these other wizards?
How do I stand a chance against a girl who's part
Veela?
How do i measue up to Victor Krum?
And all the girls have been diggin' on Cedric Diggory

How did I become
The fourth Triwizard champion?
How did I become
The fourth Triwizard champion?
How did I become
The fourth Triwizard champion?
How did I become
The fourth Triwizard champion?

Would somebody please tell me?
