You never kept me waiting
You never kept me waiting

Come back now
Come back now
Come back now
Come back now

Come back now
Come back now
Come back now

You never kept me waiting
You never kept me waiting

Come back now
Come back now
Come back from
Beyond the veil

Come back now
Come back now
Come back now
I know you're there
I know you're there

You never kept me waiting
You never kept me waiting

Come back now
Come back now
Come back from
Beyond the veil

Come back now
Come back now
Come back now
I know you're there
I know you're there
I know you're there
I know you're there

You never kept me waiting...
