The Yule Ball
Is fast approaching now
I don't dance
Especially in front of crowds
Everyone's making such a big deal of this

I'd rather take on another Hungarian Horntail than have
to find a date
Oh, Oh, Oh

Even Neville Longbottom's
Got himself a date
And Cho Chang
I asked her too late
Everyone's making such a big deal of this

I'd rather take on another Hungarian Horntail than have
to find a date
Oh, Oh, Oh
I can't seem to find a date
Oh, Oh, Oh
I can't seem to find a date
