Yes it's so long since I've been home  
Seems like there's no place to roam  
Well I've sailed around the Horn  
I've been from San Jose up to Baffin Bay  
And I've rode out many a storm

Angelina, Angelina, please bring down your concertina  
And play a welcome for me 'cause I'll be coming home  
from sea

Well I've heard the bawdy tunes  
I've been in honky tonk saloons  
I took my liquor by the vat  
Well I stayed on call for a rousing brawl  
Home was where I hung my hat

Angelina, Angelina, please bring down your concertina  
And play a welcome for me 'cause I'll be coming home  
from sea

Now I've courted many a girl  
I've been in ports all around the world  
But my rambling days are done  
I've been from Curacao up to Tokyo  
And I've found there's only one

And she is Angelina, Angelina, please bring down your  
concertina  
And play a welcome for me 'cause I'll be coming home  
from sea
