Bess ,you is my woman now  
You is, you is  
And you must laugh and sing and dance  
For two instead of one  
Want no wrinkle on your brow  
No how  
Because de sorrow of de past is all done done  
Oh Bess, My Bess. The real happiness has just begun

Porgy I am your woman now  
I is, I is!  
And I ain't never going nowhere unless you shares the  
fun  
There's no wrinkle on my brow  
No how  
But I ain't going! You hear me saying  
If you ain't going, with you I'm staying

Porgy I'm yo' woman now  
I'm yours forever  
Morning time and evening time  
Summer time and winter time

Morning time and evening time and  
Summertime and winter time

Bess, you is my woman now and forever  
This life is just begun  
Bess, we two are one  
Now and forever  
Oh Bess , don't min' dose women  
You got yo' Porgy  
We'll go swinging  
Trough the years a singing  
Morning time and evening time and  
Summer time and winter time

Morning time and evening time and  
Summer time and winter time  
Oh my Porgy my man Porgy  
My Bess, My Bess

From this minute I'm telling you  
I keep this vow: Porgy I'm yours now

From this minute I'm telling you  
I keep this vow  
Oh my Bessie, we is happy now. We are one now
