Lyrics:

Let me tell you bout a girl I know  
She is my baby and she lives next door  
Every morning fore the sun comes up  
She brings my coffee in my favrite cup  
So I know, yes I know  
Hallelujah I just love her so  
When Im in trouble and I have no friend  
I know shell go with me until the end  
Evrybody asks me how I know  
I smile and tell them she told me so  
That's why I know, yes, I know  
Hallelujah I just love her so  
If I call her on the telephone  
And tell her that Im all alone  
By the time I count from one to four,  
I hear her on my door  
In the evening when the sun goes down  
When there is nobody else around  
She kisses me and she holds me tight  
Tells me evry thing will be alright  
So why I know, yes I know  
Hallelujah I just love her so
