Down the way where the nights are gay
And the sun shines daily on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

But I'm sad to say, I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town

Down at the market you can hear
Ladies cry out while on their heads they bear
Akkisai sort fish are nice
And the rum are fine any time a year

But I'm sad to say, I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town

Sounds of laughter everywhere
And the dancing girl swing to and fro

I must declare my heart is there
Though I've been from Maine to Mexico

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I've had to leave a little girl in the Kingston Town

Down the way where the nights are gay
And the sun shines daily on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

But I'm sad to say, I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town

Sad to say, I'm on my way

Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town
