I can hear the wind a blowing in my mind
just the way it used to sound
With a Georgia pine
You were there to answer when I called
You and me, Lord knows we had it all

Remember how I used to touch your hair
While reaching for the feeling, that was always there
It was the best thing in my life I can recall
You and me we had it all

I know that we can never relive those times again
So I let these dreams take me back to where we've
been
And I'll stay there with you just as long as I can
Oh it was so good, yes it was so good
Oh it was so good when I was your man

Oh I'll never stop believing in your smile
Even though you didn't stay, it was all worthwhile
You're the best thing in my life I can recall
You and me, Lord knows we had it all
I can hear the wind a blowing in my mind
You and me, Lord knows we had it all.
