He is now to be among you  
At the calling of your heart  
Rest assured this troubadour  
Is acting on his part  
The union of your spirits here  
Has caused him to remain  
For whenever two or more of you  
Are gathered in His name  
There is love, there is love  
There is love, there is love

Well a man shall leave his mother  
A woman leave her home  
They shall travel on  
To where the two shall be as one  
As it was in the beginning  
Is now until the end  
Woman draws her life from man  
And gives it back again  
There is love, there is love  
There is love, there is love

Well then whats to be the reason  
For becoming man and wife  
Is it love that brings you here  
Or love that brings you life

For if loving is the answer  
Then whos the giving for  
Do you believe in something  
You have never seen before  
Are the marriage of your spirits here  
Has caused him to remain  
For whenever two or more of you  
Are gathered in His name  
There is love, there is love  
There is love, there is love
