Lyrics:

Women they smell so good, women  
Women cherry wine  
Petticoats and perfume roses  
Make you feel good  
From your head to your toes  
Women wish they all were mine

Women they breath so easy  
Women move so fine  
Makes a busy man turn lazy  
Not to lock a woman  
To drive you crazy  
Women wish they all were mine

No one but a woman can get a man happy  
Every time he's feeling blue  
No one but a woman can do those things  
A woman knows how to do  
Uh women they feel so friendly  
Women cherry wine  
Ain't no good in being without them  
I could spend my life going on about them  
Women wished they all were mine.  
Wished they all were mine

Ain't no good in being without them  
I could spend my life going on about them  
Women wished they all were mine.  
Wished they all were mine
