Though it hurts to go away
it's impossible to stay

-

But there's one thing I must say before I go:
I love you
(I love you) you know.
I'll be thinking of you in 'most ev'rything I do.
Now the time is moving' on
and I really should be gone

But you keep me hangin' on for one more smile.
I love you
(I love you) all the while.
With your cute little wave will you promise that you'll
save your
Kisses for me
save all your kisses for me
Bye bye
baby bye bye. Don't cry honey
don't cry.
Gonna walk out the door
but I'll soon be back for more
Kisses for me
save all your kisses for me.
So long honey
so long. Hang on baby hang on.
Don't you dare me to stay 'cos you know I'll have to say:

That I've got to work each day and that's why I go away

But I count the seconds till I'm home with you.
I love you
(I love you) it's true.
You're so cute
honey gee
won't you save them up for me
your
Kisses for me
save all your kisses for me.
Bye bye
baby bye bye. Don't cry honey
don't cry

Gonna walk out the door
but I'll soon be back for more
Kisses for me
save all your kisses for me

So long honey
so long. Hang on baby
hang on.
Don't you dare me to stay 'cos you know you're got to
save your

Kisses for me
save all your kisses for me.
Bye bye
baby bye bye. Don't cry honey
don't cry.
Won't you save them for me

even though you're only three.
