That certain night, the night we met  
There was magic abroad in the air  
There were angels dining at the ritz  
And a nightingale sang in berkeley square

I may be right, I may be wrong  
But I'm perfectly willing to swear  
That when you turned and smiled at me  
A nightingale sang in berkeley square

The moon that lingered over london town  
Poor puzzled moon, he wore a frown  
How could he know we two were so in love  
The whole darned world seemed upside down

The streets of town were paved with stars  
It was such a romantic affair  
And as we kissed and said good-night  
A nightingale sang  
A nightingale sang  
I know 'cause I was there  
That night in berkeley square
