Chorus:

All my life's a circle;  
Sunrise and sundown;  
The moon rolls thru the nighttime;  
Till the daybreak comes around.

All my life's a circle;  
But I can't tell you why;  
Season's spinning round again;  
The years keep rollin' by.

It seems like I've been here before;  
I can't remember when;  
But I have this funny feeling;  
That we'll all be together again.  
No straight lines make up my life;  
And all my roads have bends;  
There's no clear-cut beginnings;

And so far no dead-ends.

Chorus

I found you a thousand times;  
I guess you done the same;  
But then we lose each other;  
It's like a children's game;

As I find you here again;  
A thought runs through my mind;  
Our love is like a circle;  
Let's go 'round one more time.

Chorus
