Goodnight, my love  
Pleasant dreams and sleep tight, my love  
May tomorrow be sunny and bright  
And bring you closer to me

Before you go  
Please remember I need you so  
And this love I have for me  
Will never go cold

If you should awake in the still of the night  
Please have no fear  
Just close your eyes  
Then you realize  
That my love will watch over you, dear, always

Goodnight, my love  
Pleasant dreams and sleep tight, my love  
May tomorrow be sunny and bright  
And bring you closer to me

If you should awake in the still of the night  
Please have no fear  
Just close your eyes  
Then you realize  
That my love will watch over you, dear, always

Goodnight, my love  
Pleasant dreams and sleep tight, my love  
May tomorrow be sunny and bright  
And bring you closer to me
