I pray on christmas
That the lord will see me through
I pray on christmas
He'll show me what to do

I pray on christmas
He'll help me understand
And I pray on christmas
He'll take me by the hand

I pray on christmas
That the sick will soon be strong
I pray on christmas
The lord will hear my song

I pray on christmas
That God will lead the way
And I pray on christmas
He'll get me through another day

I pray on christmas
I pray on christmas
I pray on christmas
He'll get me through another day

I pray on christmas
All our problems gonna be worked out
I pray on christmas
God'll show us what love's about

I pray on christmas
To do your will each day
And I pray on christmas
That I'll be with you in heaven some day

I pray on christmas
Oh, the sick will soon be strong
I pray on christmas
The lord will hear my song

I pray on christmas

That God will lead the way
And I pray I really pray on christmas
He'll get me through another day
He'll get me through another day...
