Little farley
Why you hangin out so long
I can tell by the people
You're runnin with
That you're singin a different song
Little farley
What you hidin in your drawer
Don't you know that I know what you're doin
And it ain't worth dyin for
Little farley
Why you takin that to school
Livin out your life in angola
Really don't sound too cool
Little farley
Why you wanna take a life
That little girl they laid to rest today
She coulda been your wife
Little farley
You know that don't belong to you
What you took in less than a minute
Mighta took him a month or two
Little farley
A boy don't have to be a man
If you can't decide what you wanna be
Then I'm tellin you no one can
Little farley
Think about it...
