I remember the days  
Of just keeping time  
Of hanging around in sleepy towns, forever  
Back roads empty for miles  
Well you can't have a dream  
And cut it to fit  
But when I saw you, I knew  
We go together, like a wink and a smile  
Leave your old jallopy  
By the railroad track  
We'll get a hip, double dip, tip toppy, 2 seat pontiac  
So you can rev her up  
Don't go slow  
It's only green lights and alright  
Let's go together with a wink and a smile  
(Instrumental)  
Give me a wink and a smile  
(Instrumental)  
We go together like a wink and a smile  
Now my heart is music  
Such a simple song  
Singing again, the notes never end  
This is where I belong  
Just the sound of your voice  
The light in your eyes  
Your so far away from yesterday  
Together, with a wink and a smile  
We go together, like a wink and a smile.
