Now you say you're lonely
You cry the whole night through
Well, you can cry me a river, cry me a river
I cried a river over you

Now you say you're sorry
For being so untrue
Well, you can cry me a river, cry me a river
I cried a river over you

You drove me, nearly drove me out of my head
You never shed a tear
Remember, I remember all that you said
Told me love was too plebeian
Told me you were through with me
And now you say you love me

Well, just to prove you do
Come on and cry me a river, cry me a river
I cried a river over you

Remember, I remember all that you said
You told me love was too plebeian
Told me you were through with me
And now you say you love me

Well, just to prove you do
Come on, cry me a river, cry me a river
I cried a river over you
