VERSE: everybody gets the blues now and then and don't know what to do.
i've had it happen many times to me, and so have you.
but those days have gone and past. i've found out what to do at last. when i feel all in, down and out, you will hear me shout

CHORUS: hello central give me doctor jazz. he's got just what i need, I'll say he has. and when the world goes wrong, and I've got the blues, he's the man who makes me get out both my dancin' shoes. the more i get, the more i want it seems. I page old doctor jazz in all my dreams. when I'm trouble bound, and mixed, he's the guy that gets me fixed. hello, central, give me doctor jazz.

da ba da ba dat daa ya dat da
boop bop ba doo dat dat dat da
daa ya dat da
boop bop ba doo dat dat dat da
daa daa ba do dat do da do da yat

the more I get, the more I want it seems. I page old doctor jazz in all my dreams. when I'm trouble bound, and mixed, he's the guy that gets me fixed. hello, central, give me doctor jazz.

(spoken) give me doctor jazz
