Meet me on the corner of close and soon
I'll have a song in my head
And my hands on a tune
Nothin' lasts forever
So I guess I better
Take you forever for now

Meet me in the lobby of destiny
I'll have a ribbon on my shoulders
And a halo over me
If nothin' lasts forever
Then I guess I better
Take you forever for now

Under a clock
By an information desk
I'll be there will bells on
By an old oak
A fountain in the park
Just don't be long

By the ticket counter for love in spring
I'll be standin' there with cupid
And he can aim that thing
If nothin' lasts forever
Then I figure I better
Take you forever for now

Under a clock
By an information desk
I'll be there will bells on
By an old oak
A fountain in the park
Just don't be long

By the ticket counter for love in spring
I'll be standin' there with cupid
And he can aim that thing
If nothin' lasts forever
Then I figure I better
Take you forever for now
