I heard she sang a good song
I heard she had a style
And so I came to see her and listen for a while
And there she was this young girl
A stranger to my eyes

Strumming my pain with her fingers
Singing my life with her words
Killing me softly with her song
Killing me softly with her song
Telling my whole life, with her words
Killing me softly with her song

I felt all flushed with fever
Embarrassed by the crowd
I felt he found my letters and read each one out loud
I prayed that he would finish
But he just kept right on

Strumming my pain with her fingers
Singing my life with her words
Killing me softly with her song
Killing me softly with her song
Telling my whole life, with her words
Killing me softly with her song

She sang as if she knew me
In all my dark despair
And then she looked right through me as if I wasn't
there
And she just kept on singing
Singing clear and strong

Strumming my pain with her fingers
Singing my life with her words
Killing me softly with her song
Killing me softly with her song
Telling my whole life, with her words
Killing me softly with her song
