Lazybones

You know I am gettin tired doing all the work my self

Man you ain't doin all the work

I just can't seem to get the help around here

Oh Johnny don't give me that man

Can't you hear me

I hear you baba

No, i guess not

Lazybones, sleeping in the sun
How you 'spect to get your day's work done?
Never get your day's work done
Sleeping in the new day's sun

Nah, thats your side of the story Johnny

Tell me yours

I'm about to tell you mine

Lazybones, sleepin in the shade
How you 'spect to get your cornmeal made?
You'll never get your cornmeal made
Just sleepin in the evenin shade

When 'taters need spraying I bet you keep praying
The bugs fall off the vine
And when you go fishin, I bet you keep wishin
The fish won't grab your line Oh no

Lazybones, loafing through the day
How you 'spect to get a dime that way?
Never make a dime that way ha
Never heard a word I say

When 'taters need spraying I bet you keep praying
The bugs fall off the vine
And when you go fishin, I bet you keep wishin
The fish won't grab your line

Lazybones, loafing through the day
How you 'spect to make a dime that way? Well looky
here
Never make a dime that way
Never heard a word I say

Man u ain't workin

I don't get a chance to go fishin I have to do all the
work

Ahh you think so huh

I know so

I ain't seen no fish

They don't bit cuz you still sleepin

Thats cuz u set my alarm clock 4 hours later just so you
can brag about workin

I don't even get a nibble

Cuz u ain't usen the right bait man
