That certain night, the night we met
There was magic abroad in the air
There were angels dining at the Ritz
And a nightingale sang in Berkeley Square

I may be right, I may be wrong
But I'm perfectly willing to swear
That when you turned and smiled at me
A nightingale sang in Berkeley Square

The moon that lingered over London town
Poor puzzled moon, he wore a frown
How could he know that we two were so in love?
The whole darn world seemed upside down

The streets of town were paved with stars
It was such a romantic affair
And as we kissed and said goodnight
A nightingale sang in Berkeley Square

The moon that lingered over London town
Poor puzzled moon, he wore a frown
How could he know, we two were so in love?
The whole darn world seemed upside down

The streets of town were paved with stars
It was such a romantic affair
And as we kissed and said goodnight
A nightingale sang, a nightingale sang
I know 'cause I was there
That night in Berkeley Square
