Somewhere my love, there will be songs to sing
Although the snow covers the hopes of spring
Somewhere a hill blossoms in green and gold
And there are dreams, all that your heart can hold

Someday we'll meet again, my love
Someday whenever the spring breaks through

You'll come to me out of the long-ago
Warm as the wind, soft as the kiss of snow
Till then my sweet, think of me now and then
Godspeek, my love till you are mine again

Someday we'll meet again, my love
I said, someday whenever that spring breaks through

You'll come to me out of the long-ago
Warm as the wind and as soft as the kiss of snow
Till then my sweet, think of me now and then
Godspeed my love till you are mine again
