People with hope have a special prayer
a louder drum, a brighter flare
This is a song for the hopeful
May god hear it sung

People with faith are the lucky kind
They'll be the ones, with peace of mind
This is a song for the faithful
May god hear it sung

Theres a song, for the doubtful
Theres a song, for the lone
Theres a song, for the desert barron but crossed

But when those who are strong have spirit
Maybe they dont need to hear it
But still a song for them
A simple song for them

Nothing can shape a seasons soul
Its all the love that makes it bold
This is a song for the hopeful
May god hear it sung

Theres a song for the doubtful
Theres a song for the lost
Theres a song for the desert barron but crossed

But for those who are strong of spirit
Maybe they dont need to hear it

But still a song for them
A simple song for them

Well nothing can change a seasons soul
It's all the love that makes it whole
This is a song for the hopeful

This is a song for the faithful
This is a song for the hopeful
May god hear it sung
May god hear it sung

May god hear it sung
