SLEEPY LAGOON

Harry James

- words by Jack Lawrence, music by Eric Coates

A sleepy lagoon, a tropical moon and two on an island  
A sleepy lagoon and two hearts in tune in some  
lullabyland  
The fireflies' gleam reflects in the stream  
They sparkle and shimmer  
A star from on high falls out of the sky

And slowly grows dimmer  
The leaves from the trees all dance in the breeze  
And float on the ripples  
We're deep in a spell as nightingales tell  
Of roses and dew  
The memory of this moment of love  
Will haunt me forever  
A tropical moon, a sleepy lagoon  
And you
