One Dozen Roses  
Harry James

Give me one dozen roses  
Put my heart in beside them  
And send them to the one I love

She'll be glad to receive them  
And I know she'll believe them  
That's something we've been talking of

There may be orange blossoms later

Kind of think that there will  
Cause she's done something to me  
And my heart won't keep still

Give me one dozen roses  
Put my heart in beside them  
And send them to the one I love
