This Is Always
Harry James and his orchestra.
Music and Lyrics by Harry Warren and Mack Gordon

This isn't sometimes, this is always.
This isn't maybe, this is always.
This is love,
The real beginning of forever,
This isn't just mid summer madness,
A passing glow, a moment's gladness,
Yes it's love.
I knew it on the night we met,
You tied a string around my heart,
So how can I forget you.
With every kiss I know that
This is always.
