No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

No, I can't forget tomorrow  
When I think of all my sorrow  
When I had you there but then I let you go  
And now it's only fair that I should let you know  
What you should know

I can't live if living is without you  
I can't live, I can't give any more  
I can't live if living is without you  
I can't give, I can't give any more

No, I can't forget this evening  
Though your face said you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes your sorrow shows  
Yes, it shows

I can't live if living is without you  
I can't live, I can't give anymore  
I can't live if living is without you  
I can't live, I can't give anymore
