The willow weeps and having wept  
Can weep no more but still it cries for me  
It cries in sympathy, it knows that you are gone  
Don't leave me, baby

There was a time when you were mine  
And not so long ago I used to say  
You'd never go away, you'd never leave me lonely  
Don't leave me, baby

Think about the happy times, the groovy times  
Don't tell me they are gone, I just can't carry on  
I know that you're not here  
You're not near anymore

Don't leave me, baby  
Things are gonna work out fine  
Don't leave me, baby  
Think I'm going out of my mind  
Don't leave me, baby  
Don't leave me behind

Babe, babe, babe, baby, yeah  
Babe, babe, babe, baby, yeah  
Babe, babe, babe, baby, yeah  
Babe, babe, babe, baby, yeah

The willow weeps and having wept  
Can weep no more but still it cries for me  
It cries in sympathy, it knows that you are gone
