Here's why I did not go to work today...

Thursday's such a crazy, lazy day  
Thursday has its own peculiar way  
Of saying "hey"

Sometimes Thursday almost  
Makes you want to run away  
Thursday's such a crazy, lazy day

Yeah, Thursday's such a crazy, lazy day  
Let's go have a picnic  
Thursday's such a crazy, lazy day  
Hope it doesn't rain

When I'm feeling Thursday  
I go and have a drink  
If Thursday was a boat I bet it'd sink

I did on Monday  
I tried on Tuesday  
Wednesday's simply not my cup of tea  
Thank Heaven it's Friday  
Thank the Lord for the weekend  
Thursday now, that's such a crazy, lazy day

They say Monday's child is full of grace  
Tuesday's child is fair of face  
Thursday's child has far to go  
And it's no wonder  
When the week becomes a rat race  
You can bet, win, show or place  
But never bet on Thursday  
'Cause God's not on its case

Thursday's such a crazy, lazy day  
Don't get me wrong  
It's just that Thursday's twice as long as it should be  
It's Twice as long

Mondays, Tuesdays, weekends, Fridays

Don't get in my way  
But Thursday's just a crazy, lazy day

Monday is a blues day  
That goes for Tuesday  
Wednesday's just the middle of the week, yeah mm  
Friday is just another payday  
The weekend's just another heyday  
But Thursday's surreptitiously unique

That's why I didn't go to work today

Thursday's got its own peculiar way  
Of saying "hey"  
Sometimes Thursday makes you want to run away

Thursday's such a crazy, lazy day  
Thursday's such a crazy, lazy day
