Lazy Moon come out soon
Make my poor heart beat warmer
Light the way bright as day
For my sweet little charmer
Sheâ€™s to meet me in the lane tonight
If the sky is bright and clear
Oh moon donâ€™t keep me waiting here tonight
Watching and awaiting
Heart a palpitatinâ€™
Longing for my lady love so dear
Lazy Moon, Lazy Moon
Why donâ€™t you show your face above the hill
Lazy Moon, Lazy Moon
You can make me happy if you will
When my lady sees your light a peepinâ€™
then I know her promise sheâ€™ll be keepinâ€™
tell me whats the matter, are you sleepinâ€™
Lazy Moon
