No matter how hard he tries
He keeps get pushed aside
And he can't break through
He don't wanna talk to you
He's sad that you're not leaving
He's not taking time to believe it
But after all is done is done
You're going to be in Askaban, ooh

Chorus:

Do you believe in life after life
I can feel something inside me say
I really don't think your strong enough, Volemort
Do you believe in life after life
I can feel something inside me say I really think your
that strong enough, Harry

What Am I supposed to do
Just sit around and not study with Hermione
Well I can't do that
There are O.W.L.s to study for
I need time to find you
I need my wand to feel strong
Cos' I've had time to think it though
and hey I'm nuttin without it, ohh

Chorus

But I know that'll get through this
Cos' I know that I am strong
I don't need you anymore,
No I don't need you anymore?.

Chorus
