Mirror mirror lie to me
Show me what I wanna see
Mirror mirror lie to me
Why don't I like the people I see
The ones standing right in front of me
Why don't I think before I come
I should have listened to that voice inside me
I must be stupid, must be crazy, must be out of my
mind
To come down here every night after night
Mirror mirror sitting on the floor
You don't have to tell me that my parents are gone
Mirror mirror I wish you could lie to me
And bring my parents back, bring my parents back to
me
Mirror mirror lie to me
Show me what I wanna see
Mirror mirror lie to me
Show me what I wanna see
Why did I come here anyway
When I don't even know what this mirror does
I let my pride get in the way
And in the heat of the moment Dumbledore came
I must be stupid, must be crazy, must be out of my
mind
Now that Dumbledore has found me I must realize
Mirror mirror sitting on the floor
You don't have to tell me I can't come here anymore
Mirror mirror I wish you could lie to me
And let me come back, let me come back again
If only wishes could be dreams
And know my dreams could come true
There would be three us standing here in front of you
If you could show me what my family used to be
Bring back my parents, my parents to me
Mirror mirror sitting on the floor
You don't have to tell me I wouldn't be coming back
again
Mirror mirror I wish you could let me in
And let me meet my parents, see my parents again
Mirror mirror sitting the floor

You don't have to tell me to stay in bed at nights
Mirror mirror I wish you could come to me
And let me see my parents again, just see my parents
again
Mirror mirror lie to me
Show me what I wanna see
Mirror mirror lie to me
Mirror mirror lie to me
Show me what I wanna see
Mirror mirror lie to me
