I can't help but blush when your near me,
but you just exclude me from your circle of three.
I'm right in front of you but you don't see'
you treat me like I'm a Colin Creevey.

I love you,
but it seems you don't love me.
My friends say your so brave,
and I know you will see that we were meant to be.
When you miss me it'll be too late.

Swallowed so much love my hair grows red,
come over to my house to see my brother instead.
You didn't get my valentine,
didn't know what it meant.
Every page about you my diary has read.

I love you,
but it seems you don't love me.
My friends say your so brave,
and I know you will see that we were meant to be.
When you miss me it'll be too late.

Even though you're the one I adore,
next year at Hogwarts you'll see I've transformed.
I will hold my head up high- I'm a Gryffindor,
and you won't need to save me any more.

I love you,
but it seems you don't love me.
My friends say your so brave,
and I know you will see that we were meant to be.
When you miss me it'll be too.....

I love you,
but it seems you don't love me.
My friends say you're so brave,
and I know you will see that we were meant to be.
When you miss me it'll be too late.

When you miss me it'll be too late.

When you miss be it'll be too late.
