Harry:

I've got to get the Snitch

I've got to get the Snitch

The game is called Quidditch and I've got to get the
Snitch

Flying through the air on a broom

I try my very best to avoid my doom

And in the corner of my eye it will loom, the Snitch

I've got to get the Snitch!

I've got to get the Snitch!

I'm flying 'round the pitch and I've really got an itch

Draco Malfoy's very rich but his mother is a bitch

Draco:

Hey I'll knock you in a ditch and I'll beat ya 'til ya twitch!

Harry:

This will go without a hitch

Ron:

Sometimes I wish I were a witch!

Harry:

I've got to get the SNIIIIIIIIII--OOMPH!
